3030 Model 244813, Series A

3340 Model 244814, Series A

3540 Model 244815, Series A

### **WARNING**

To reduce the risk of fluid injection or splashing in the eyes or on the skin, relieve all fluid pressure in the system before you install, remove, or replace any parts. See the **Pressure Relief Procedure** in the Operating Instructions manual 3W9368.

### Installing Fluid Gauge

1. **Unplug electrical cord and relieve pressure.**
2. Remove plug (A).
3. Install elbow (B). Use PTFE tape or pipe sealant to prevent leaks.

**NOTE:** Two elbows are provided in your kit; use the one that fits your sprayer opening and use only one elbow.

4. Install fluid gauge (C) on elbow.

### Installing Hose Adapter

1. **Unplug electrical cord and relieve pressure.**
2. Screw adapter, included in your kit, into garden hose connection.
3. Screw garden hose into adapter.
